## How it works:

Each member of the club buys a monthly draw ticket for £12 for the year. Each month there is a draw for 50% of the income and this amount is divided between three lucky winners.

*For example, if we have an income of £100 members for the month, 50% of that will make the prize money (£50), meaning the 1st prize will be 25% (£25), the 2nd prize will be 15% (£15), and the third prize will be 10% (£10).*

### The Rules
